

Since the devastating earthquake in Haiti on January 12, 2010, the United Way system worldwide has rallied to support those most in need. There is not a United Way in Haiti, however, United Way Worldwide, with the support of local United Way's, are working through its members and other partners in Haiti to respond to the crisis. In addition, United Way Worldwide has also set up a disaster relief fund to support long-term recovery efforts to rebuild the lives and infrastructure devastated by the earthquake.

The relief efforts worldwide have been impressive in showing the true spirit behind LIVING and GIVING UNITED. See all the ways United Way is responding to the [Haiti disaster](#).

If you, or anyone you know, is interested in supporting the continuing efforts in Haiti, please visit United Way Worldwide's website at <https://volunteer.united-e-way.org/uwwwdisaster/donate>. We have also provided a link to their site from Orange County United Way's website at www.unitedwayoc.org.

You can also text HAITI to 864833 (UNITED) to make a \$5 donation to United Way Worldwide disaster recovery fund. Information for making physical donations can be accessed at www.aidtohaiti.org.
